

## **Welcome to Al Baloot Al Sagheer Nursery:**

Al Baloot Al Sagheer Nursery, a nursery with long-established Emirati origins, founded in 2014 and seeks to develop children of all ages.

With them with all love and compassion. Our education comes from the heart to the heart.

We welcome children from 45 days (about 1 and a half months) to 5 years old, from all nationalities, religions and cultures and work to support parents to provide the best

The primary language spoken is English with lessons in Arabic, the Holy Quran, Sunnah, Arabic, and biased Islamic Arabic as well as some classes in French.

Our goal is to develop fluency in Arabic and English because this is the best way to learn languages.

### **Our Aim:**

Al Baloot Al Sagheer Nursery provides the highest levels of childcare and development. In a safe, loving, and calm environment that builds confidence and self-reliance in children from 45 days (about 1 and a half months) to 5 years of age through educational activities that instill in them Danem's love of learning.

Dr. Montessori said: "Learning is a natural process that the child does by discovering his surroundings, not by listening to words."

### **Our Goal:**

- ◆ To create an environment that will encourage children to be self-directed learners with a love of learning and exploration.
- ◆ Encourage children to explore the world around them every day freely and safely.
- ◆ Provide meaningful activities that instill a lifelong love of learning.
- ◆ Encourage children to confidently form positive relationships with adults and peers.
- ◆ Teach children good behavior.
- ◆ Encourage children to take responsibility and care for household animals.
- ◆ The garden will be a place to play, explore and grow plants and vegetables.
- ◆ Provide a range of activities that motivate children to make decisions and solve problems.
- ◆ The environment, equipped with different options, encourages harmony and peace in the classroom.
- ◆ Encourage Muslim children to learn about Islam in simple and fun ways.
- ◆ We aid new parents to support them during the early years, which is the most important stage of a child's life.
- ◆ Having fun, fun, fun every day will boost children's confidence and develop their vital skills to deal with formal education in the years to come.
- ◆ All children are welcome at the nursery and for children with special needs, we believe that we can show a great improvement by being in a Montessori environment and being able to interact and integrate with the rest of the children.
